TOP STORY

THE STORY OF THE SEASON

Write your story here. Keep it short and fun — three to six sentences is plenty for a team paper. Tell who, what, where and when, then add the detail everyone still laughs about. Swap in your own words and the text will flow to fit the column.

COACH'S CORNER

A WORD FROM THE COACH

A short note from the coach: what this group did well, what they overcame, and a thank-you to the families.
